ANNEXURE TO STATEMENT ACCOMPANYING FORM - A

Certified that no addition or alteration has been made to the existing building or portion of a building for which this application has been made. I undertake to obtain a fresh license in case any addition or alteration is made to the existing building or portion of building. I also undertake to obtain a fresh license if the purpose for which the license was granted for the use of the building or a portion of the building originally is changed or altered subsequently.

This is further to certify that no thatched buildings / inflammable roof buildings are used within the premises. Any thatched building constructed / used after issue of the certificate, I would be held responsible for fire accident / mishap that may occur later and that I am aware that it is a punishable crime.

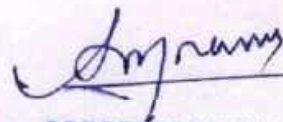

This is also understood that the existing adjacent / first floor / or other buildings of any type with this premises which are not opted for public purpose and their conditions would be brought under the risk of my own.

We are well aware of that the underground amenities like water sumps, septic tanks, bore wells and open wells should be kept always in scientifically closed rigid conditions for all time safety measure.
